

Fundraising Agreement

Fundraising is vital to our program. In order to ensure that we continue to offer a high-quality program, the **Kamloops Long Blades** has adopted the following fundraising model:

We encourage all of our skaters to participate in fundraising. Each skater is expected to raise \$200 throughout the season. We ask that each skater submit a cheque for \$200 at registration (post dated February 1st, 2020)

- I choose to actively participate in the **Kamloops Long Blades** fundraising program. I enclose a \$200 cheque dated February 1st, 2020 which will be cashed only if I do not meet the \$200 fundraising requirement.
